1. *The little cockroach, the little cockroach,
all she wanted was to dance,
she doesn't mind that
a leg is missing,
she would never miss the chance.*
2. In the house nobody wants her
and they hunt her through the back door
so she goes after the music
and she's dancing on the dance floor.
3. *The little cockroach, the little cockroach,
all she wanted was to dance,
she doesn't mind that
a leg is missing,
she would never miss the chance.*
4. She won't stay where they don't want her,
there are better things to ask for.
Now the music seems to charm her
as she's dancing on the dance floor.
5. *The little cockroach, the little cockroach,
all she wanted was to dance,
she doesn't bother
if legs are missing,
she would never miss the chance.*
