

“Twinkle, Twinkle, Little Star”

www.singing-bell.com

1. Twinkle, twinkle, little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle, little star
How I wonder what you are

2. When the blazing sun is gone
When he nothing shines upon
Then you show your little light
Twinkle, twinkle, all the night
Twinkle, twinkle, little star
How I wonder what you are

3. Then the traveller in the dark
Thanks you for your tiny spark
He could not see which way to go
If you did not twinkle so
Twinkle, twinkle, little star
How I wonder what you are

4. In the dark blue sky you keep
And often through my curtains peep
For you never shut your eye
‘Till the sun is in the sky
Twinkle, twinkle, little star
How I wonder what you are

5. As your bright and tiny spark
Lights the traveller in the dark
Though I know not what you are
Twinkle, twinkle, little star
Twinkle, twinkle, little star
How I wonder what you are

6. Twinkle, twinkle, little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle, little star
How I wonder what you are

7. Twinkle, twinkle, little star
How I wonder what you are
How I wonder what you are
Twinkle, twinkle, little star
How I wonder what you are
