

Ride a cock-horse to Banbury Cross

www.singing-bell.com

Ride a cock-horse to Banbury Cross,
To see a fine lady upon a white horse;
Rings on her fingers and bells on her toes,
She shall have music wherever she goes.

Ride a cock-horse to Banbury Cross,
To buy little Johnny a galloping horse;
It trots behind and it ambles before,
Johnny shall ride till he can ride no more.
