“Les Petites Marionnettes” - English

1. See them dance, dance, dance
All the little marionettes
See them dance, dance, dance
Three little turns and off they go.

2. Just like this, this, this,
Dance the funny little puppets,
Just like this, this, this,
Three times round then off they go!

3. With your hands straight down,
Jump up, jump up little puppets,
With your hands straight down
Little puppets start again.

4. How they dance, dance, dance
All the funny little puppets,
And they dance, dance, dance,
When the children are asleep.
