If I should stay,  
I would only be in your way.  
So I'll go, but I know  
I'll think of you ev'ry step of the way.

*And I will always love you.  
I will always love you.  
You, my darling you. Hmm.*

Bittersweet memories  
that is all I'm taking with me.  
So, goodbye. Please, don't cry.  
We both know I'm not what you, you need.

*And I will always love you.  
I will always love you.*

I hope life treats you kind  
And I hope you have all you've dreamed of.  
And I wish to you, joy and happiness.  
But above all this, I wish you love.

*And I will always love you.  
I will always love you.  
I will always love you.  
I will always love you.  
I will always love you.  
I, I will always love you.*

*You, darling, I love you.  
Ooh, I'll always, I'll always love you.*
