

Skin and Bones

Halloween song

www.singing-bell.com

There was an old woman all skin and bones, Ooooooh
She lived down by the old graveyard, Ooooooh
One night she thought she'd take a walk, Ooooooh
She walked down by the old graveyard, Ooooooh
She saw the bones a-layin' around, Ooooooh
She went to the closet to get a broom, Ooooooh
She opened the door and BOO!
