Lyrics (version 1)

Come all you young fellers that follow the sea.
Yo ho blow the man down.
Now just pay attention and listen to me.
Give me some time to blow the man down.

*Oh blow the man down, pirates, blow the man down.
Yo ho blow the man down.
Blow the man down, pirates, blow him right down.
Give me some time to blow the man down.*

Aboard the Black Clipper I first served my time.
Yo ho blow the man down.
But on the Black Clipper I wasted my time.
Give me some time to blow the man down.

*Oh blow the man down, pirates, blow the man down.
Yo ho blow the man down.
Blow the man down, pirates, blow him right down.
Give me some time to blow the man down.*

We tinkers and tailors and sailors and all,
Yo ho blow the man down.
That sailed for good seaman aboard the Black Ball.
Give me some time to blow the man down.

*Oh blow the man down, pirates, blow the man down.
Yo ho blow the man down.
Blow the man down, pirates, blow him right down.
Give me some time to blow the man down.*

Mickey Mouse & the Goey Fish version

Come all ye young children and listen to me
Yo-ho, blow the man down!
I hope that you'll all come a-sailin' with me
Yo-ho, and blow the man down!

One day, I was strollin' down on Main Street
Yo-ho, blow the man down!
A sea-farin' Captain I happened to meet
Yo-ho, and blow the man down!
Yo-ho, yo-ho, yo-ho, and blow the man down!

He said, "Side up young fella! And follow the sea"
Yo-ho, blow the man down!
A handy young sailor I thought I would be
Yo-ho, and blow the man down!

Yo-ho, yo-ho, and blow the man down!

The waves all a-tossin' upon the high seas
Yo-ho, blow the man down!
And every landlubber gets weak in the knees
Yo-ho, and blow the man down!
So shiver me timbers, we're headin' for home
Yo-ho, blow the man down!
Sing now with me and you won't sing alone
With a yo-ho, and blow the man down!

Yo-ho, yo-ho, yo-ho, and blow the man down!
Yo-ho, yo-ho, yo-ho, and blow the man down!
