## Caspar Babypants version

Mister rabbit mister rabbit  
your coat is mighty grey  
yes my friend I like it that way  
every little soul must shine  
every little soul must shine

Mister rabbit mister rabbit  
your tails mighty white  
better to see me in the cool black night  
every little soul must shine  
every little soul must shine

Mister rabbit mister rabbit  
your ears are mighty fluffy  
yes my friend Im a tough little bunny  
every little soul must shine  
every little soul must shine

Mister rabbit mister rabbit  
your hoppin' legs are long  
yes my friend now sing your song  
every little soul must shine  
every little soul must shine  
every little soul must shine  
every little soul must shine

## Pete Seeger version

Mr rabbit, Mr rabbit, your ears are mighty long  
Yes, don't you know they were put on wrong  
Every little souls gonna shine shine  
Every little souls gotta shine along

Mr rabbit, Mr rabbit, your nose always twitches  
Yes, don't you know it always itches  
Every little souls gonna shine shine  
Every little souls gotta shine along

Mr rabbit, Mr rabbit, your tail's so tight  
Yes, don't you know it was put on right  
Every little souls gonna shine shine  
Every little souls gotta shine along

Mr rabbit, Mr rabbit, well where have you been?  
Down to Mr Angelo's garden  
Every little souls gonna shine shine  
Every little souls gotta shine along

Mr rabbit, Mr rabbit, oh what do you eat?  
Carrots and cabbages from my head to my feet  
Every little souls gonna shine shine  
Every little souls gotta shine along

Mr rabbit, Mr rabbit, your ears are so long  
Yes, don't you know they were put on wrong  
Every little souls gonna shine shine  
Every little souls gotta shine along
