The falling leaves, drift by my window
The autumn leaves, of red and gold.

I see your lips, the summer kisses
The sunburned hands, I used to hold.

Since you went away the days grow long
And soon I'll hear old winter's song.

*But I miss you most of all, my darling
When autumn leaves start to fall*

Since you went away the days grow long
And soon I'll hear old winter's song.

*But I miss you most of all, my darling
When autumn leaves start to fall*

*Yes, I miss you most of all, my darling
When autumn leaves start to fall*
