

Ride a Horse to Banbury Cross

www.singing-bell.com

1. Ride a horse to Banbury Cross,
to see a fine lady upon a white horse;
Rings on her fingers and bells on her toes,
she shall have music wherever she goes.

2. Ride a horse to Banbury Cross,
to buy little Johnny a galloping horse;
It trots behind and it ambles before,
Johnny shall ride till he can ride no more.
