

One, Two, Three, Four, Five (Once I Caught a Fish Alive)

singing-bell.com

1. One, two, three, four, five,
Once I caught a fish alive.
Six, seven, eight, nine, ten,
Then I let it go again.

2. Why did you let it go?
Because it bit my finger so.
Which finger did it bite?
This little finger on the right.
